Report of Principal and School Improvement Council

South Middle School continued to move forward with academic success and school-wide improvements. The 2013-2014 school year proved to be one of continued growth and successes. Many of our students and teachers were recognized for their contributions and successes both in and out of the classroom. As a National Schools to Watch, South Middle used the STW criteria as a driving force for our school improvement throughout the year. South Middle implemented Chromebooks in all academic classrooms. iPad labs were also made available for students and teachers.

Our school and staff continue to focus on providing students with a rigorous academic program, opportunities for academic assistance during the school day, experiences in the related arts, student-centered activities such as clubs, WSMS, advisor-advisee, rotating time of day instruction, early morning literacy time, and numerous extracurricular opportunities. South's continued partnership with Winthrop University provides our school with professional development opportunities, student interns, and a part-time Winthrop faculty in residence.

South Middle School also has a strong commitment with community service projects. Donations were made to Relay for Life, United Way, SMS Clothes Closet, The American Red Cross, and various other causes.

South Middle School could not have accomplished so much without the help and support of our parents and community. The PTO and School Improvement Council continue to help ensure that our students receive the best educational opportunities possible.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	68.8
Overall Grade Conversion	D

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

South Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
